## WHO WE ARE:

The Legal Forum for Israel – founded in 2004 in order to protect the rights of residents of Gush Katif and Northern Samaria in the wake of the Disengagement – is today at the forefront of the legal activism needed to protect the Zionist enterprise. The Forum's small legal and administrative staff coordinates a varied range of projects in the field, with the support of a 370 attorney membership. With the assistance of these members, the Forum's in-house attorneys draft policy reports, prepare bill proposals and position papers, appeal Supreme Court rulings, and appear in the media.

## SIGNIFICANT ACHIEVEMENTS AND ACTIVITIES:

- Advancing the appointment of 80 judges with a Zionist agenda

- Exposure of the Judicial Appointment Committee Protocols
- The Judges Website – A unique initiative which provides a detailed review of all judges serving in Israel
- Addressing the issue of illegal immigrants in South Tel Aviv and defending the residents' human rights.
- Successfully addressing environmental hazards.
